President's Message

Dear Esteemed Colleagues,

It is with immense joy that I extend a warm welcome to each one of you to the vibrant city of Bangalore for the upcoming 52nd FCBM Conference, scheduled to take place from the **20th to the 22nd of December 2024**.

Our gratitude goes to the FCBM for entrusting us with the honor of hosting this prestigious conference after a hiatus of two decades. We are particularly elated to announce that our esteemed leader, Mr. T.M. Raghavan, stands as the President Elect for this occasion. Mr. Raghavan, a stalwart in our community, has been an invaluable mentor at KACBMA, and we eagerly anticipate his leadership at the helm of FCBM. His track record, including past service as Secretary of FCBM, underscores his outstanding leadership qualities.

We are fortunate to have the blessings and guidance of our Chairman Emeritus, Mr. AL. Annamalai, a distinguished figure who not only served as the past FCBM President but is also the visionary founder of our association.

In our 5th managing committee meeting held on the 27th of September 2022, the unanimous selection of Mr. Manish Bothra as the Conference Chairman was made. We are pleased to share that Mr. Bothra has graciously accepted this responsibility, with Mr. Alok Agarwal as his Co-Chairman. The composition of various committees under their guidance reflects a careful consideration of members' interests and proficiencies.

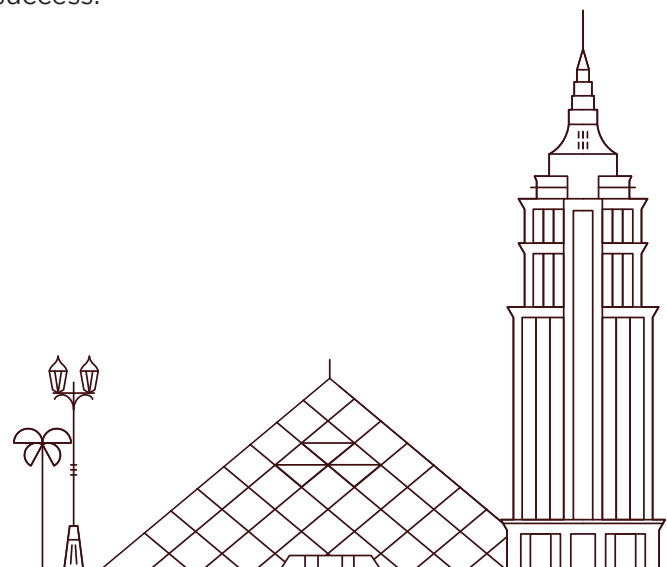

The dedicated team at KACBMA is committed to ensuring that this conference becomes a memorable experience for all attending delegates. Moving forward, all communication pertaining to the 52nd FCBM Conference will be directed to our Conference Chairman.

I eagerly anticipate your presence in Bangalore in December 2024, and I am confident that, together, we will make this conference a resounding success.

Thank you for your continued support.

Warm regards,

Amit Parasrampuria
President, KACBMA

Chairman's Message

Dear Esteemed Colleagues,

It is our distinct pleasure to extend a warm welcome to each of you for the upcoming 52nd FCBM Conference, scheduled to unfold in the dynamic IT capital of India – **Bangalore, from the 20th to the 22nd of December 2024.**

Building upon the distinguished **legacy crafted by our peer associations** over the past 51 years, we approach this endeavour with great enthusiasm, committed to fashioning an unforgettable event. Our primary goal is to deliver an enriching experience that seamlessly blends technical excellence with social engagement.

The camaraderie experienced during these conferences is truly unparalleled. Countless enduring partnerships have been forged, formalized, and strengthened through shared attendance at these gatherings. The exchange of knowledge, collaborative utilization of resources for mutual benefit, and the formation of enduring friendships spanning decades across the country stand as a testament to the profound significance of this event.

After rigorous negotiations, we are pleased to announce the secured **venue** – the "Sheraton Grand" Hotel and Convention Center in Whitefield ITPL Bangalore, at a notably affordable rate. Nestled within one of India's largest IT Parks, the venue strikes an ideal balance between modernity and the serene greenery that defines Bangalore. Additionally, the renowned "Marriott" in Whitefield has also been contracted. Both establishments boast a coveted "5 Star" rating and are conveniently situated just 2 km apart. The meticulously curated menu for all meals celebrates the diversity of our gathering, featuring both **local and international cuisines** for a culinary delight for our esteemed delegates.

Our expansive exhibition hall, capable of accommodating 50+ stalls, provides a platform for sponsors and exhibitors to engage with over 1000 entrepreneurs and prospective customers.

The Sponsors will have the opportunity to showcase their brand on a strategically planned platform, offering exposure to industry stalwarts, experts, customers, and prospective clients.

Special programs have been meticulously curated to **entertain the family members** of attending delegates, including local sightseeing and bringing Silk weavers, Wooden toy shops to the venue.

The theme for this year's conference, "RRR" encapsulates the dynamic nature of today's business environment. Participants are encouraged to "Rethink" by acquiring knowledge through conferences, industrial visits, and exhibitions, followed by "Reinvent" - implementing changes in their businesses. Ultimately, participants are urged to "Resurge" fearlessly, striving for improved business outcomes and greater gains, akin to the Himalayan Eagle with its regrown formidable claws.

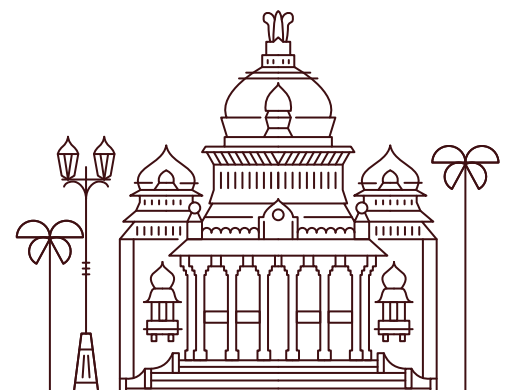

Though our association may be modest in numbers, our unity and enthusiasm are boundless. We eagerly anticipate your esteemed presence in Bangalore this December 2024. Join us in making this event yet another shining star in the illustrious history of FCBM.

Looking forward to meeting you all.

Best Regards,

For KACBMA
